

# MUAISA HALE PULE VOLUNTEER IMMERSION APPLICATION FORM

**Complete and return to: [muaisa@yahoo.com](mailto:muaisa@yahoo.com)**

Congratulations on choosing to join us for the Volunteer Immersion Program (VIP) at Muaisa Hale Pule! The purpose of this form is to help us determine just how much your participation will be of mutual benefit to you and to us at this time. Kindly complete and return this form to apply for the program, which consists of volunteerism plus our 8-day Shamanic 'Life Purpose' Rebirth.

As a heads up, it is expected that your general health will allow you to fulfill the responsibilities you are choosing to undertake. At any step in the process, should a physical-, sensory-, mental-, or health-related issue present itself in a way that contradicts exposure to the tasks at hand, we will -- on a case-by-case basis -- evaluate the situation and offer to adjust your participation level.

Everyone on property is responsible for their own fitness, wellness and health care treatment and costs. As such, volunteers are required to maintain health insurance coverage throughout the extent of their involvement. If you do not already have health insurance that will cover your stay in Hawaii, International Volunteer Card (IVC) offers an effective, 60-day, \$30 travel/luggage/medical insurance package that is suitable for this purpose. IVC also donates a significant portion of their proceeds to humanitarian projects. See <https://www.volunteercard.com/insurance/> for details.

Upon receipt of your completed application along with **(i) proof of health insurance coverage, (ii) a copy of your state- or federally-issued photo ID (iii) a real-time head & shoulders 'selfie' with eyes open and unobstructed (no glasses), (iv) your "Friends and Family" Charitable contribution of no less than \$2250**, Shaman will perform an energy reading of your photo. This approach and the requested documents give us a head- start in preparing for your arrival. To this end, we appreciate your taking the time and care to fill in the requested information below legibly and concisely. (Attach extra pages if you care to.)

**VOLUNTEERISM:** Muaisa Hale Pule seeks to attract service-oriented individuals who aren't afraid of hard work, who are willing to be flexible about their volunteer assignments, who are open to contributing wherever and however the grounds need it, and who are willing to look inside themselves (rather than point fingers at others) for the source of their own discontent should that arise. Please select the disciplines below, which interest you most in terms of volunteering up to 12 hours per week. (1 = most interesting, 2 = second most interesting, etc.). Then, elaborate in your responses to the questions that follow about your related work ethic and experience. Although preferences are considered when assigning volunteers to discipline areas, there is no guarantee that you will be assigned to your preferred discipline(s).

**For the sake of the intangible, personal benefits you will be gleaning from the program, if there are other trainings or workshops you plan to attend while in Hawaii, it is recommended that Muaisa Hale Pule be your “last stop.”**

**PHYSICAL HEALTH:** Muaisa Hale Pule’s work commitment and our tropical environment require volunteers who are in good physical condition. Because we are located in a rural area of a remote island with limited access to emergency services, and because everyone who comes here is responsible for their own health care treatment and costs, it is important that we are aware of your past or current health. Note: You may occasionally be asked to lift objects up to 50 lbs (22.6 kg).

6. Please identify any physical conditions you have received treatment for in the past three years:

**MENTAL/EMOTIONAL HEALTH:** Muaisa Hale Pule is located upcountry on Hawaii's Kona Coast in a fairly rural setting. Living and working amidst this much nature atop one of the world's major vortices can sometimes trigger mental/ emotional challenges for people who are not used to it. For this reason, it is important that we be aware of your past or current mental health issues.

9.. Please indicate if you have experienced any of the following in the past 3 years:

The Internet can be a hostile place, and not all guests who have visited us are saints. No matter what your field of interest, the potential for opposing reviews seems to come with the territory. Meanwhile, a classically unhealed individual can find offense in pretty much everything another person does.

In this regard, due in part to the growing popularity of shamanism over the past few years, Muaisa Hale Pule has become the online target of an emotionally-destabilized person who came to volunteer for us in 2015. Within a matter of days of his being on property, this man became violent, threatened Dr. ZZ, and was asked to leave.

Ever since then, this individual has obsessed on stalking and bullying us on a variety of websites. Assisted by his girlfriend ('clearriverofspirit'), whom we have never met, he impersonates us, posts harassing videos and fraudulent reviews of us, references back and forth between these fraudulent reviews to promote his hogwash, and uses free iPhone software to spoof our Caller ID and misrepresent himself as us in a campaign of telephoning random, potential guests in the shamanic and sacred plant ceremony communities, spewing offensive language.

We have been granted a Protective Order by the District Court of the Third Circuit in Hawaii against this man so he will never show up on our property – or in Hawaii – again. When infractions of this nature take place across State lines involving the Internet, however, there is little that either local law enforcement and/or the FCC can do -- or are willing to do – to curtail or prevent the perpetrator's using the Internet to bully and harrass.

This is to ask that you be extremely cautious of all third party videos and defamatory reviews you may find of us online, and to double check any questionable claims and/or one-star litanies you read or phone calls you may receive from a Caller ID that displays our name and phone number. The only legitimate person making telephone calls from our phone number is Dr. ZZ, and she makes a practice of not telephoning anyone who doesn't first contact us requesting information.

Kindly report to us any suspicious websites or reviews you come across using our name and/or any suspicious phone calls you may receive from someone claiming to be us. If you are not sure, call us at +1-808-323-3238 for verification.

This is nothing to worry about when you are here. For fear of prosecution, the subject individual ***will not be returning*** to Hawaii or to Muaisa Hale Pule.
